THE EVENT

Organised by the Heart and Stroke Foundation, the Caring Hearts Dinner is a five-course meal which brings together close to 400 people from the Greater Montréal area's business community.

On the occasion of the 19th edition, the Foundation invites you to discover the culinary delights of chef Jérôme Ferrer, Grand Chef Relais & Châteaux and one of Montréal's most famous chefs. We invite you to take part in this exclusive evening in the heart of Old Montréal at Marché Bonsecours.

All your senses will be awakened by high quality products which are served in a refined atmosphere.

The Caring Hearts Dinner has been the flagship event of the Foundation for nearly two decades. Through the work, support and generosity of its artisans, this annual event has raised more than \$2.5 million.
